U.S. Army Sgt. Kemar Ebanks, of Fort Bragg, N.C., plays a simulated action at the booth of the U.S. Army "America's Army," an innovative, realistic computer game providing civilians with an inside perspective and a virtual role in the U.S. Army land force, Wednesday, May 22, 2002, during a demonstration at the 8th annual 2002 Electronic Entertainment Expo, (E3 2002) at the Los Angeles Convention Center in Los Angeles. The Army will distribute "America's Army" for free in response to requests at www.americasarmy.com and www.goarmy.com, through distribution partners that include leading computer game magazines, at Army events and recruiting stations and through Internet download.
